WORK EXPERIENCE

SHIVAM TECHNOLOGY, AURANGABAD

I did my first-year Internship for 2-months in Shivam Technology. It's a store for selling electronics goods. My work is to do some basic stuff with hardware. Like formatting computers, Installing Ram and Anti-Viruses, etc.

YASH ENTERPRISE (VI POSTPAID), AURANGABAD

I worked for 4-months in Vodafone Idea postpaid office. I was a telecaller and my work is to attend calls and give the solution to their complaints, update information and software installation in computers.
